ABOUT THE COMPANY

About Despacito Cigars

Despacito Cigars AG was founded in 2018 by Tony Guggenbuehler and Andreas Waespi. As a new Swiss cigar brand, we have quickly established ourselves as a premium cigar manufacturer using only the finest tobaccos in the world. Every Despacito cigar is handmade in the Dominican Republic and offers you a uniquely bold and yet refined experience sure to enhance any moment.

Whether you spend an evening with friends and indulge in great conversation or you'd like to take a break and ponder upon the deeper questions of life, Despacito offers just the right cigar. True to our name we aim to help you slow down, walk to the beat of a different drum and impose your own pace on life.

Despacito's focus on world-class premium cigars goes hand in hand with an undying commitment to ensure ethical sustainable working conditions in our factory in the Dominican Republic so you can truly enjoy your next cigar.
